# CHEF GIZMO TOKEN
WHITEPAPER

TABLE OF CONTENT:

Introduction

Chef Gizmo Token is a community-driven cryptocurrency project founded by Chef Gizmo, a passionate chef on a mission to make a positive impact through the power of cryptocurrency. Chef Gizmo believes in leveraging blockchain technology to provide meals to the underprivileged sections of society, including orphans, the elderly, impoverished children, school children, and the homeless.

Chef Gizmo Token aims to empower the community to decide where donations should be directed through decentralized governance.

Vision

Chef Gizmo envisions a world where no one goes hungry, where the simple act of providing a meal can make a significant difference in someone's life. By harnessing the innovation and inclusivity of blockchain technology, Chef Gizmo Token seeks to create a transparent and decentralized platform for charitable giving.

Tokenomics:

Chef Gizmo Token has a total supply of 10 billion tokens, with the following tokenomics:

1. Chef Gizmo's Tokens: 500 million tokens (5% of the total supply) allocated to Chef Gizmo to support project development, marketing, and management, ensuring initial support while prioritizing community ownership.

2. Donation Allocation: 1 billion tokens (10% of the total supply) allocated for donations to provide meals to the underprivileged. These tokens fund initiatives like feeding orphans, the elderly, impoverished children, school children, and the homeless, with voting rights for donation direction.

3. Airdrop Allocation: 1 billion tokens (10% of the total supply) designated for airdrops, fostering wider token distribution and community engagement.

4. Community Allocation: The remaining 7.5 billion tokens (75% of the total supply) allocated to the community. These tokens empower community members to participate in governance, decision-making, and project contributions, ensuring Chef Gizmo Token remains fully decentralized and community-driven.

Usecase

Chef Gizmo Token's primary use case is to provide meals to those in need through charitable donations. By holding Chef Gizmo Tokens, community members directly contribute to this cause and participate in the governance of the project. Chef Gizmo Token enables transparent and efficient philanthropy, where the community decides where donations should be directed through voting.

Roadmap

Chef Gizmo Token's roadmap is entirely community-driven, innovative, flexible, and inclusive. The community will collaborate to set goals, milestones, and initiatives for the project's development and growth. Chef Gizmo Token aims to continuously evolve and adapt to meet the changing needs of the community and the underprivileged.

9

Supply

10,000,000,000

Conclusion

Chef Gizmo Token is more than just a cryptocurrency; it's a movement driven by compassion, community, and the desire to make a difference. Through the power of blockchain technology and decentralized governance, Chef Gizmo Token empowers individuals to come together and create positive change in the world, one meal at a time. Join Chef Gizmo and the community in this journey to make a meaningful impact on the lives of those in need. Note: Chef Gizmo Token does not charge any trading fees, ensuring that the maximum value goes towards providing meals to the underprivileged.

Disclaimer:

Chef Gizmo token is a utility token designed for use within the GIZMO ecosystem. While every effort has been made to ensure the accuracy and reliability of the information presented in this whitepaper, users are encouraged to conduct their own research and exercise caution when engaging with cryptocurrency projects. Investing in digital assets carries inherent risks, and users should only invest what they can afford to lose.
